You will be redirected to your company profile.

Step 4: here you can go to the tab relationships where you can find your members that are currently linked to your profile.

We kindly ask you to confirm if your membership list is still up to date. Should there be missing current members from this list, please let us know. If they have a profile, we can link them to your society. Alternatively, we will let you know which members do not have a profile, so you can contact them and ask them to create one. This will allow all your members to enjoy the benefits of the WGA.
